Changes in Executive Board of Südzucker AG

The Supervisory Board of Südzucker AG appointed Dr Theresa von Fugler (47) as CCO (Chief Commercial Officer) to the Executive Board for a term of three years with effect from 1 October 2025.

Dr Theresa von Fugler obtained her Bachelor of Science in Biology, followed by a Diploma of Biomedical Sciences and a PhD in Biochemistry at Imperial College London. She gained her professional experience at companies like Henkel, L'Oréal, Petit Bateau and Sanofi, where she has been General Manager Consumer Healthcare as well as Managing Director of A. Nattermann & Cie GmbH since September 2021.

"The Supervisory Board is delighted to have gained Dr von Fugler, an experienced manager with an impressive career, for the Executive Board of Südzucker. With her expertise for consumer markets as well as her management experience, she will enrich and further advance the company," said Dr Stefan Streng, Chairman of the Supervisory Board of Südzucker AG.

Dr Theresa von Fugler will assume responsibility for Commercial Excellence, Sustainability and Environment, as well as for the divisions BENEIO and PortionPack Group in the special products segment. The appointment of Dr von Fugler will result in a reorganisation of the Executive Board responsibilities, which will take effect on 1 October 2025.

About the Südzucker Group

Südzucker is a major player in the food industry with its sugar, special products, starch and fruit segments, and Europe's leading ethanol producer with its CropEnergies segment.

In the traditional sugar business, the group is Europe's number one supplier of sugar products, with 21 sugar factories and two refineries, extending from France in the west via Belgium, Germany and Austria, through to Poland, the Czech Republic, Slovakia, Romania, Hungary, Bosnia, and Moldova in the east. The special products segment, with its consumer-oriented functional ingredients for food and animal feed (BENEO), chilled/frozen products (Freiberger) and portion packs (PortionPack Group), operates in dynamic growth markets. Südzucker's CropEnergies segment is Europe's leading producer of renewable ethanol, with production sites in Germany, Belgium, France and Great Britain. Other products in this segment are protein food and animal feed products as well as biogenic carbon dioxide. The starch segment comprises AGRANA's starch and ethanol activities. The group's fruit segment operates globally, is the world market leader for fruit preparations for dairies and is a leading supplier of fruit juice concentrates in Europe.

In 2024/25, the group employed about 19.300 persons and generated revenues of about EUR 9.7 billion.
